8. POPE CALLS FOR AN END TO SHELLING OF CIVILIANS IN UKRAINE

During a meeting with pilgrims last Sunday, Pope Francis called for an immediate end to the shelling of civilian infrastructure in Ukraine, which is especially dangerous as winter approaches. He also appealed to the Blessed Virgin Mary for intercession for Ukraine and called for an end to hostilities on all fronts in the Middle East. In his appeals after the Angelus prayer, the Pope mentioned the "martyred of Ukraine" twice, expressing deep concern about the situation in the country. "I appeal to you to prevent Ukrainians from dying of cold, to stop air strikes on civilians, who always suffer the most. Stop killing innocent people!" he emphasized.

12. THE MONTH OF OCTOBER IS "RESPECT LIFE MONTH"

The Church has long designated the month of October as a month of prayer and reflection on the precious gift of life that we as children of God share.

Life is a gift from God the Creator of all things visible and invisible. We all are precious in the eyes of the Lord God. All human life is sacred and precious.

Let each of our voices be heard by speaking up and on behalf of those who are unable to do so for themselves. Let us defend our right to life, unhindered by others and in accord with the Holy Will of Our Heavenly Father.

OUR MISSION PARISH: Saints Peter and Paul Ukrainian Greek Catholic Church

Physicians Who Work for Free

On November 1st, we celebrate the feast of two remarkable brothers who lived during the early years of the Christian Church. Cosmas and Damian were born of wealthy parents in Asia Minor who gave their sons the best education in the Roman Empire.

They were interested in medicine and became physicians at an early age. During this same time, the two brothers also became Christians. Their unique combination of medicine and prayer attracted the attention of many. Through their commitment to Christ they endeavored to become healers not only of the body, but of the soul as well. Consequently, their fame spread and they soon developed a reputation as being miracle-workers who could heal with an herb as well as with a prayer.

About this same time, the brothers made a

most unique pledge: they pledged not to take any money for their services. They healed thousands of people from diseases of body and soul and never accepted anything for their efforts. Their reputation spread even more rapidly as they became known as "unmercenaries" – someone who does not expect payment of any kind in return for services rendered.

In a sense, each of us can become unmercenaries in the same spirit as were Saints Cosmas and Damian. Each of us can freely give something of ourselves without expecting anything in return. Perhaps we can give our time to a person in need without expecting an equal favor in return. Perhaps we can freely give advice without being offended if it is not followed. Or, perhaps we can give the gift of forgiveness without receiving an apology in return.
