A Word of Warning

Store up in your minds the Lord's words which you receive through your ears, for the word of the Lord is the nourishment of the mind. When His word is heard but not stored away in the memory, it is like food which has been eaten and then rejected by an upset stomach. A person's life is despaired of if he cannot retain his food. So if you receive the food of holy exhortations, but fail to store in your memory those words of life which nurture righteousness, you have good reason to fear the danger of everlasting death. Be careful, then, that the word you have received through your ears remains in your heart. Be careful that the seed does not fall along the path, for fear that the evil spirit may come and take it from your memory. Be careful that the seed is not received in stony ground, so that it produces a harvest of good works without the roots of perseverance. Many people are pleased with what they hear and resolve to undertake some good work, but as soon as dif-

ficulties begin to arise and hinder them they leave the work unfinished. The stony ground lacked the necessary moisture for the sprouting seed to yield the fruit of perseverance.

Good earth, on the other hand, brings forth fruit by patience. The reason for this is that nothing we do is good unless we also bear with equanimity the injuries done us by our neighbors. In fact, the more we progress, the more hardships we shall have to endure in this world; for when our love for the present world dies, its sufferings increase. This is why we see many people doing good works and at the same time struggling under a heavy burden of afflictions. They now shun earthly desires, and yet they are tormented by greater sufferings. But, as the Lord said, they bring forth fruit by patience, because, since they humbly endure misfortunes, they are welcomed when these are over into a place of rest in heaven.

St. Gregory the Great
