Not the Seed at Fault, but Ourselves

The parable of the sower and the seed could also be called the parable of the fate of the word of God in human hearts. It is very simple, clear and easy to understand. There is no mistaking its meaning.

There is also no mistaking Jesus' love and concern for His people. It must have been very frustrating and disappointing for Him to go from village to village and bring them grace and salvation only to find that His words were falling on deaf ears and cold hearts.

It is with this pain and concern for souls that He tells this beautiful parable. This is also why He cried out many times at the end of His parables, "He who has ears to hear, let

him hear." Yet He continued on, patiently teaching, sowing the seed of truth and praying that it will take root and bring forth fruit.

When hearing this parable, do not these thoughts strike us: "How has the seed, the word of God, taken root in our souls? What is the fate of Christ's teaching in our hearts? What type of soil have we cultivated for God's word? Are our hearts cold, stony, filled with weeds and thorns?"

We cannot blame anyone but ourselves if the teachings of Jesus are not reflected in our lives. It is not the seed which is at fault, only ourselves.
