cost of one injection Goal: \$2 325 000 Raised: \$ 360 000 Pavlyk Motychka, who was diagnosed with  
Spinal Muscular Atrophy (SMA), was born in September, 2019 in Synevyr village, Zakarpattya ,  
Ukraine. SMA causes muscle weakness and atrophy (when muscles get smaller).It can affect a  
child's ability to crawl, walk, sit up, eat, breath and control head movements. There is no treatment  
available in Ukraine. But an innovative medicine Zolgensma (Novartis) appeared in the USA 3 years  
ago. It is the most expensive medicine in the world. One bottle costs \$2.3 million. It is administered  
to the patient once. The citizens of Ukraine have to ask the whole world for donations to save their  
children.Zolgensma has to be injected by the age of 2 and the weight of 14 kg. So Pavlyk is now 1.8  
years old and has 11.5 kg. His family has already lost their older son due to the same disease. Pavlyk  
has SMA type 1, it is the worst out of 4 types. Age is absolutely critical. We need to get this injection  
as soon as possible. WE have to knock everywhere and several times and believe in the kindness of  
people! Павлик Мотичка, якому було поставлено діагноз Спинальна М'язова Атрофія (СМА),  
народився у вересні 2019 року у селі Синевир , Закарпатської області.Спинна М'язова атрофія  
це дуже рідкісне нервово-м'язове захворювання, що супроводжується втратою мотонейронів  
та прогресуючою атрофією м'язів, що призводить до ранньої смерті. Дитина не може сидіти,  
рухатися, ходити, а в гірших випадках ковтати та дихати. Є одна ін'єкція в світі, яка допоможе  
врятувати Павлика та яка вводиться один раз на все життя, назва її - Zolgensma! Zolgensma  
найдорощі ліки в світі \$2 325 000. Цей укол потрібно ввести до 2 років та щоб вага дитини була  
14 кг. Павлик має зараз 1,9 роки та 11,5 кг. Його сім'я вже втратила старшого сина через цю  
саму хворобу декілька років тому. Павлик має СМА 1 –го типу, який є найтяжчим з усіх 4 типів.

*Prove Your Faith by Your Trust*

'Look at the birds of the air,' says Jesus. What a splendid example for our faith to follow! If God's providence bestows an unfailing supply of food on the birds of the air who neither sow nor reap, we ought to realize that the reason for people's supply running short is human greed. The fruits of the earth were given to feed all without distinction and nobody can claim any particular rights. Instead, we have lost the sense of the communion of goods, rushing to turn these goods into private property. The birds do not know famine because they do not claim anything specially for themselves and neither do they have any envy of others. 'Consider the lilies of the field: not even Solomon in all his glory was

arrayed like one of these. If God so clothes the grass which is alive today and tomorrow is cast into the oven, how much more will he clothe one of you!' Listen to these stupendous and uplifting words. With this parable of flowers and grass the Lord urges us to hope that God will also be merciful to us. Nothing is more persuasive than a glance at unthinking creatures who have received such beautiful dress from Providence. Surely we should be all the more ready to believe that human beings, if they entrust themselves completely to God and free themselves of all their worries, will not lack anything.
