The Pope said we are all invited to be open to Jesus' call and to live united to Him in the mundane events of our daily lives. Lazarus and the Rich Man

In the 1940's, France was known for its extensive collection of Egyptian artifacts. Many forgotten treasures were holed up in the basement of a Paris museum. One day, some workmen uncovered a forgotten burial case pushed into a dark corner of the basement. They decided that the box would be an excellent storage container for many of the smaller artifacts. So, without consulting any of the museum authorities, the workmen took it upon themselves to empty the contents of the box into the sewer. They then filled the empty box with odds and ends. Some time later, they made the unhappy discovery that they had mistakenly discarded the remains of Cleopatra, one of the most famous women of ancient Egypt!

In ignorance, people regularly discard things of great value. One of the more valuable

things that people discard are opportunities. We see this in today's Gospel reading of the Parable of Lazarus and the Rich Man. The rich man had everything he needed in the world, while Lazarus was in constant need. Each day, the rich man had the opportunity to attend to the need of Lazarus who wanted nothing more than to eat the crumbs which fell from his table. The rich man, for his part, never abused Lazarus or mistreated him – he simply ignored him and for this he was condemned. The sin of the rich man was not his wealth, it was his blindness – blindness to the needs of others.

Let us not forget that "the truly rich man is not one who possesses much, but one who gives much." (Saint John Chrysostom)
