A MOTHER'S DAY PRAYER

I said a Mother's Day prayer for you to thank the Lord above for blessing me with a lifetime of your tenderhearted love. I thanked God for the caring you've shown me through the years, for the closeness we've enjoyed in time of laughter and of tears. And so, I thank you from the heart for all you've done for me, and I bless the Lord for giving me the best mother there could be!

Healing the Heart

A monk, well known for his holiness, once went on a pilgrimage to the Holy Land. He had the great fortune of visiting many of the places where Jesus lived and taught. One of his great privileges was to visit the Jordan River, where he immersed himself in the very water in which Jesus had been baptized. He was very eager to take some of this Jordan River water back to the monastery.

As he was journeying back to the monastery, however, he encountered a beggar. The beggar wanted nothing more than a sip of water. The monk refused the request, explaining that the only water he had left was very special water from the Jordan River, and it was not for drinking or sharing. The beggar persisted, and the monk grew angry and cursed the beggar. At that moment the monk heard the words,

“My son, you have washed your body in the Jordan River, but you have not washed your heart.” With that, the beggar vanished from his sight.

In the Gospel reading today, we hear of Jesus' cure of a paralyzed man near the pool of Bethesda. It was believed that anyone who washed in that pool, during the stirring of the water, would be cured. How wonderful it would be, we might say to ourselves, to have such a pool of healing today. Let us remember that we do not need a pool or any other means of miracles when we have Christ Himself. Our Risen Lord, Who has power over death, certainly has dominion over illness and our bodies as well. Sometimes, however, He desires for us a healing of the heart, before a healing of the body.
